ALUMNI CHAPTERS

A: Currently, we have alumni chapters in Phoenix, Houston and Seattle. If you would like to join an existing alumni chapter, fill out the Alumni Chapter Form, indicating which chapter you are interested in joining. alumni.gcu.edu/connect/

Q: How do I start a new alumni chapter in my area?

A: A minimum of 200 alumni with good addresses must live within a 50-mile radius of the area petitioning to become an active chapter. Contact the Office of Alumni Relations to see if your area meets these requirements. Once the number of alumni in the area has been determined, the chapter leader will need to fill out a Chapter Inquiry Form.

Once a team of leaders has been identified, you will be asked to complete the New Chapter Proposal Form. This is where you will submit your chapter's mission and vision as well as leadership structure and tentative event calendar. alumni.gcu.edu/alumni-resources/
